## 1. Welcome

### Welcome to May's Income Generation & Funding Bulletin.

Getting in income for an organisation to run effectively is tough, especially for smaller organisations and community groups who do not have a full time fundraiser; but there are ways to make it easier for the organisation:

1. Make an excel spreadsheet of all the possible funders, their basic criteria, deadlines, whether you have applied to them (and when) and whether you were successful or not
2. Before writing an application, ask yourselves the following questions: Sources of funding:
  - Is it suitable for what we do?
  - Does it meet our aims as an organisation?
  - Is that along the line with our ethical position as an organisation?
  - What the funder says: are we eligible to apply for this fund?
  - What about sustainability?
3. Read eligibility criteria and guidance notes, then read them again!
4. Get to know the funder(s)
5. Get the whole committee and other volunteers involved – some could search, some could write different sections, some could proof read etc.
6. Make sure it makes sense to an external reader – remember the funder won't necessarily know or understand what you do so don't use jargon and acronyms.
7. Clear, concise, accurate budget – no 'Miscellaneous' or 'Other' columns allowed!

Our latest income generation and funding bulletin contains new funding opportunities for all organisations regardless of size, that can help your organisation consolidate and diversify its income streams. There are also training opportunities for you to develop new skills and a round-up of the latest news as it impacts on the sector.

You may feel that you need some help in developing your business plan and your fundraising strategy. If that's the case, why not contact us to find out how we can help you?

Remember, you can also find out about local funding in between bulletins through [the Funding section](#) under 'News & Jobs' section of Community Southwark website. This bulletin cannot cover everything, but we can help you to do a [Funding Central](#) search based on your criteria, so do get in contact if you would like to do this.

If you would like any further support with development or income generation please contact the **Development Team** at [development@communitysouthwark.org](mailto:development@communitysouthwark.org)

Enjoy!
